We kindly invite you to the

The championship is a great opportunity to meet people and learn about other styles, to exchange thoughts and to complete your Kung Fu equipment. For this purpose our partner **Sherry Sports** will be at your disposal offering a large variety of Kung Fu articles, clothing, etc.

If you have any questions please do not hesitate to contact us.

Terms of Agreement

With my signature, I declare as Master / Teacher / Coach / Trainer / single participant that I and all my registered participants know the rules of tournament and accept them. Furthermore all my registered participants are physically fit for competition. Our participation at this tournament is on our own risk.

We will be fully liable for possible damages caused by us (also for injury to persons during the Kung Fu fights, and weapon forms) and are insured accordingly. The organizer, the Shaolin Hung Choy Association, cannot be made responsible in any case. I / we know that for taking part in full-contact fights, the participants have to show a medical certificate to the organizer.

I know that all participants taking part in fighting disciplines have to sign a renunciation of compensation. For participants younger than 18 years there has to be a document of authorization for the instructor signed by a legal guardian.

In addition I and the by myself registered participants are aware that there will be no refund of starting fees in case of late arrival, absence of the tournament, not starting in one category or disqualification. We also accept that in case of unfair or improper behavior or rude irregularities (i.e. insult, threat etc. against the organizer, the referees and other participants) the whole team can be excluded from the tournament under certain circumstances.

I as Master / Teacher / Coach / Trainer / single participant pay attention to complete the registration forms exactly (names, disciplines, weight categories).

Besides I take care for my participants being on-time at their disciplines, for their fair and polite behavior against others, that they are properly dressed and that the compulsory wearing we will bring with us is accordingly to the rules of tournament.

With me taking part in the tournament, the Shaolin Hung Choy e.V. gains the unconfined right to broadcast any audio- and video files made of the visitors and participants on TV or AV-records and the right to sell those recordings. Filming and taking pictures is not allowed on and around the fighting areas. Filming and taking pictures from the visitor-areas is allowed.
